

Approved Courses for Study Leave Budget During GP Post Placements

Green (approved courses)

- HEE Wessex ST1 Patient Safety Course (this is mandatory for all ST1s)
- MRCGP Preparation Courses – RCGP (part funded by HEE Wessex and requires ES/Patch approval)
- Family Planning: Theory courses
- Safeguarding:
 - Level 3 Safeguarding is now a requirement for CCT. The following link to the e-learning for Healthcare website will allow you to complete Level 2 and Level 3 courses - <https://www.e-lfh.org.uk/> (you will need to register to use the site).
 - Safeguarding for Adults.

Amber (Approval request must be submitted to the GP Associate Dean at least 6 weeks in advance of the course)

- RCGP Minor Surgery Course
- Mental Health Course
- Paediatrics
 - Acute (Hospital orientated) Paediatrics Course for GP Trainees
 - Paediatrics Course for GP Trainees (GP orientated)
- RCGP Annual Primacy Care Conference
- Wessex Professional Programme Courses (i.e. Lead and be Led, Masterclasses, Tomorrows Teachers, etc.)
- Winchester PG Certificate in the Delivery of Primary Health Care

Red (Un-supported Courses)

- DCH
- MRCP
- And any other Specialty higher qualification

In Hospital Posts study leave approval is requested through the usual Hospital protocols and should be based around your identified individual learning needs, and should include relevant Clinical courses, i.e. Hot Topics, GP Update etc.

Wessex GP Educational Trust (WGPET) website contains information on locally organised GP education activities. GP Registrars/trainees and those within 12 months of their CCT can join with the lower £87.50 subscription. To apply, or for more information please contact - wgpet@btconnect.com
